ABOUT THE WRSOS

Established in 2006, the Wildlife Rehabilitation Society of Saskatchewan is a volunteer driven, registered non-profit organization that works in partnership with organizations throughout Saskatchewan who share common belief that humans and wildlife can successfully coexist. WRSOS aims to promote respect, understanding and appreciation for wildlife and nature at events such as Gone Wild for Wildlife.

WRSOS' first line of defense is our emergency hotline. This phone line is manned 12 hours/day, 365 days/year. The hotline gives the public an avenue they can take when they find an injured or orphaned animal, when they have questions or when they need advice regarding wildlife issues. A dramatic increase in calls – from 177 in 2006 to over 2000 currently – only highlights the need for an organization like WRSOS.

WRSOS' efforts are supported by 20 vet clinics province wide that volunteer their services free or at a reduced rate and 20 provincially licensed wildlife rehabilitators from Moose Mountain to Meadow Lake. WRSOS aims to promote respect and understanding for wildlife through education at events such as Gone Wild for Wildlife.

Thank you for considering participation in this important educational fundraising event. If you would like more information, please contact the sponsorship coordinator at (306)717-7090 or sponsorships.wrsos@hotmail.com.

GONE WILD FOR WILDLIFE – 12 NOVEMBER 2016

WRSOS is pleased to present the 5th annual **Gone Wild for Wildlife** event in Saskatoon. After achieving built up success four years running, and with an anticipated attendance of 1000 or more people, the 5th annual Gone Wild for Wildlife event will be yet another exciting and successful day. There will be live wildlife at the event to learn about and interact with, exhibits, fun and informative lectures, a silent auction fundraiser for WRSOS as well as many games and activities for children such as face painting, juggling, owl pellet dissections, and interactive education.

Sponsoring Gone Wild for Wildlife provides your organization the opportunity to publically demonstrate your support and to display your name, logo and product or services to all in attendance as well as on our website. Sponsorship categories can be found following event photos and testimonials. Funds raised will help WRSOS continue to coordinate wildlife rescues throughout the province through our various initiatives such as:

- Province wide hotline operation
- Rescue and transportation of orphaned or injured wildlife to appropriate care
- Veterinarian care and medications

Please lend your support and sponsor **Gone Wild for Wildlife** to help WRSOS continue our efforts. Better yet, come out and have a great time!

EVENT PHOTOS AND TESTIMONIALS

Thank you so much for having us at your event. We had a great time and think it is wonderful (and very important) that you host these events to engage the public, and especially children, to care about nature and wildlife! I'm sure this event has inspired some budding naturalists out there.

Thanks for all the great work you did for the event. I had a great time and really enjoyed talking to the families. It was a quality event.

We were at your Gone Wild with Wildlife show today! We had a blast!

What a fantastic event!! My kids and I stayed there for 6 hours and still did not want to leave!!

I have heard about WRSOS through my friend who volunteers with them, but this is amazing! I had no idea such things were taking place right here in the city! I have never been to an event like this before. My kids, sisters, and my nieces and nephews all came along to the event and we were all blown away and had a great time!!

"I am a teacher and was most impressed with the different organizations and people I made contact with which could enhance a wide variety of topics in a classroom. I only hope many other teachers were able to take in what we had experienced."

If you would like to be involved as sponsor or supporter of this event, please fill in the attached “Sponsorship Registration” form and submit it to sponsorships.wrsos@hotmail.com. If you have any further questions, or would like additional information, please feel free to email the address above.
